Work Experience

Web Development - skill india   *Aug 2024 - Sep 2024*

I am currently pursuing an internship in web development, leveraging my skills in various programming languages such as Java, C, C++, JavaScript, and HTML. My passion for building user-friendly websites drives me to constantly learn and adapt to new technologies. With a strong foundation in both front-end and back-end development, I am focused on delivering efficient, responsive, and visually appealing websites.
